## Biblical Worldview

### Week 6 – Life: Purpose-Driven or Fate-Driven?

There are some days where nothing goes right. We wake up late, stump our toe, get a speeding ticket, drop mustard on our shirt, etc., etc., etc. The Bible teaches that God is in control of everything, and that He works all things together for good. So why does it feel like our life is out of control from time-to-time? If God is God alone, then are there such thing as “accidents” in the universe? Does God control every detail of my life? Is karma real? The Bible tells us, without doubt, that God possesses total power and total autonomy as the master ruler, possessor and owner of all. Simply, God does as He pleases, only as he pleases, and always as He pleases.
